

Guidelines/Media Application

The support of the media helps to ensure the success our event this year and into the future. We welcome your participation and thank you for your interest in Rhythm & Roots! For general media inquiries please email: Ginny Shea, MIXED MEDIA 401-556-5891 ginny@mixedmediapromo.com. Media Accreditation Applications are now open. Please read the following information carefully:

Rhythm & Roots Festival will distribute a limited number of press passes and media credentials each year. **The deadline for registration is August 12.** Not all credential requests will be approved. Credentials will only be issued for members of the media on assignment. **No guests will be permitted.** Media credentials grant access to the festival only and do not grant access to any ancillary events.

Rhythm & Roots Festival will not accept ANY applications from freelance photographers or writers who are not officially on assignment for media coverage. Filming is not permitted on festival grounds without an escort from the media team. Unfortunately, due to COVID capacity limitations, there is **no backstage access this year.** Media must always display credentials. We do not provide "Band Photographers" with festival photo passes. Only photographers with SLR, interchangeable lens cameras will be allowed into the photo pits. There will be no "point and shoot" cameras permitted.

Members of the media are expected to always conduct themselves courteously and professionally. Those not adhering to festival policies may be asked to surrender their credentials and leave the festival grounds. Rhythm & Roots Festival issues credentials for legitimate journalistic use only. Photos, interviews, and reviews are NOT authorized for personal or commercial use and such use is a violation of access issued by the Rhythm & Roots Festival. If you are selected to cover the event, Rhythm & Roots will contact you with **check-in and specific media instructions by August 19.**

Interviews

Artist interview and liner requests will only be considered before the event. Please ensure you list interview requests on the accreditation form. Only written interview requests will be considered before the event. No artists interviews will be considered for the weekend of the event. Check with the media relations team on site for details.
